HI HO! - High Integrity Human Organisations - How does that happen?

Please join us for the **end of year Humanistic Management-Leadership Lab celebration event.**

In this final discussion for the year **our aim is to reveal what issues we believe are significant for organisations seeking to be more equitable, respectful and enriching.** Well-being in the workplace need not be an elusive goal and the aim of this session is twofold; first to reflect on topics discussed this year and also to highlight topics for future sessions next year. Those topics will provide opportunities **to explore the challenges and imperatives for responsible, sustainable and successful human-centric organisations.**

This end-of-year event will be a little more informal than usual as **we invite you to join us for drinks and nibbles as well as conversation.**

We welcome you to this end of year celebration event and discussion.

Where: The Leadership Lab, Level 7, 10 Pulteney Street, University of Adelaide.

When: 4.30 pm till 6.30 pm on **Thursday, 10th December 2015.**
